The **Gator Open** benefits the **Hockey Mom Foundation**, an all volunteer organization that honors Hockey Moms everywhere by raising funds to make one time foundational grants to non-profits focused on furthering cancer research, and care of cancer patients.

## Highlights from the 2023 Gator Open

Friends and family spent a gorgeous September day raising \$25,000 to match the Margaret Weber endowment contribution, thus committing together a total of \$50,000 towards cutting edge CAR T-cell cancer research at Roswell.

**Gator Cup winners**  
**Mike Hughes, Gary Massoco, Brian Walsh, and & John Melligan!**

The **Hockey Mom Foundation** is inspired by a group of Hockey Moms in Buffalo, NY nicknamed **The Gators**. These five women became close friends in the early 1980s, & their families spent many Thanksgivings, Christmas Eves, & vacations together. The children & grandchildren of these women remain “family.” The Gator Open celebrates that bond while furthering the HMF mission.
